La Paloma will leave Honolulu on Yes, baseball is coming and with it April 7th for San Francisco. The last the old question ,"What's the score?" time La Paloma was seen in San Francisco bay she was a schooner. When she returns she will be a ketch-rigged boat. Ex-Commodore Tom Hobron will not come up on La Paloma, as he had planned, but will come up on the steamer. He will, however, be one of the crew that will be aboard the yacht when she ruces home. Commodore H. E. Cooper, aboard the Gladys, which he is using as his flagship, will accompany La Paloma 100 miles to sea.

When the yachtsmen arrive at Honolulu the yacht club at that place will hold a series of caces in which all the Honolulu yachts as well as the vis-Hors will take part. The first race will be from Honolulu around the island of Oahu and back to the starting line. This will be over a course of 129 miles. The second race will be to the old whaling station that was used over fifty years ago at Lahaina, on the island of Maul, and return, a distance of seventy-five miles. The last race will be bis escort dashing along King street. to Hile, a distance of 250 miles.
Some time will be spent at Hile, and

I did not continue washing long sonable expense.

see whether he had really gone with the other children and went to midway between the Chinaman's quarters and the house. Simeon was on a swing under the trees, being awung by Johnon. The other children were playing around. I think it was after 9 o'clock, I had not watch. The other children were the two Japanese foster children of mine and my son Lemon. The Japanese girl is 10 years and the boy four years old. Both of them can speak English. The deaf girl was the working servant."

Mrs. Wharton was here asked to whom she referred as Johnson and did she see him then in court.

"That is the man sitting there," she iswared pointing fixedly for two or aree seconds at the defendant.

"About a year ago I was introduced by my husband to Johnson and then about September I saw him again. The children continued to play by the mange tree, I do not know how long because when I saw Simeon being wung by Johnson I was satisfied and vent away back to my washing."

Mrs. Wharton then told of successive orders she had given to the Chinese servant, being two tasks of wa-
